## ERIE READER

Welcome to the last Erie Reader newsletter of 2022! Happy New Year! Below you'll find a semi-comprehensive list of goings-on about town on the big night. Or if staying up until the ball drops is not your style, we also offer some restorative New Years Day events to start your 2023 off right.

What are your resolutions this year? Perhaps it's spending less time online; Liz Allen has you in mind with her latest feature about doom-scrolling, less and enjoying real life more. Would you like to try to read more books in the coming year? We are happy to share our top five favorite books from 2022 to give you a place to start! Whatever your resolutions may be, we hope that the new year finds you happy, healthy, and hopeful for the year to come.
